plocka@mid-westkentucky.redcross.org

We are so excited to be announcing our Jammin' for Disaster concert for the Mid-West Kentucky area!! We are even more excited to have country music artist Amber Hayes as a guest artist!!

All proceeds from this concert will go to aide in disaster services the Red Cross offers our clients. If there is a fire we are there, if there is a flood, we are there, if a tree falls and damages a home, we are there. No matter how big or small the disaster is the Red Cross is there to help. But we cannot do this without the help of the community. Donations for the local community are what make our services possible.

We are asking you to show your support for our local American Red Cross by becoming a sponsor for our event. Please see below the levels of sponsorship. Whether you choose the lowest or the highest level every dollar is important.

We will enter each sponsor into a drawing for VIP tickets for our event. If your business is drawn, you will receive 5 VIP seats!!
